Grow deeper with God and others...

One of the best ways to build a deeper relationship with God, experience significant growth in your spiritual life and feel more a part of the church family is by participating in a Community-Small Group, which is a small group of people who join together to study the Bible, pray, serve, and share life together in community. This guide provides information about the Community Groups currently available at Bridgeway Christian Church.

When: Young adult small groups meet throughout the week

Where: Across the greater Sacramento area in homes, apartments, and coffee shops

Info: Bridgeway Young Adults (BYA) is a ministry focused on uniting young adults (ages 18-30) and moving them closer to Christ. The main ministry meets in the main auditorium each Tuesday night at 7:00pm for worship, discussion, and teaching relevant to the challenges each young adult faces in this season of life. To facilitate deeper relationships and community small groups gather all over the area once a week in homes and coffee shops to study God's word and do life together. Groups vary by life stage, availability, and region and there is sure to be a girls group or a guys group to meet your schedule and your needs!

To get plugged in to a group, simply attend BYA this Tuesday night and stop by the connection table to pick up a form, or simply contact Ryan Haynes (Bridgeway Young Adults Pastor) and he will help get you connected to an open small group ASAP!

Young Marrieds

When: Semester Based, 6:30-8:00PM

Where: Bridgeway Christian Church in the Hub Chapel

What: Young Marrieds Community (YMC) is a Christ centered gathering that is committed to encouraging and mentoring couples. We offer many opportunities to build community and connect with other couples who are also figuring out how to build a Christ centered marriage. Realizing that all young married couples share similar struggles, we meet to encourage each other through fellowship at seasonal events, and in community groups. We strive to lead couples to seek God in their relationship and to reach out and share God's love with others. We are a diverse group of loving, real, and transparent couples who love the Lord and each other and want to make a difference for the Kingdom by the way we love and treat our spouses and others. Come enjoy fellowship with other young married couples and see where you can get plugged in.

Check out the events section for upcoming dates. YMC is held in a roundtable format with a focus on facilitating communication between couples through a variety of activities, lessons and fellowship.

We have over 16 small groups that meet weekly or semi-monthly.

BLUEPRINTS FOR GROWTH: A JOURNEY OF DISCIPLESHIP

Blueprints for Growth represents a church-wide strategy for making disciples at Bridgeway. We know discipleship is not a matter of simply taking a few classes—it's a life-long process. But the classes we offer are building blocks, pieces of the much larger puzzle that is discipleship. Our desire is to bring people to maturity in Christ so that we, who are disciples of Jesus, will look more and more like Him in our inward character and outward behavior.

We offer a variety of classes to help you grow spiritually, no matter where you are on our journey of faith. Blueprints classes will be held during the service times on weekends, so if you have children, *the complete Kidsway children's program will be available during each of the classes.*

For class details and more information about Blueprints:

- See the Blueprints brochure in the lobby
- See the Blueprints section of the church web site at www.bridgewaychristian.org
- For more information contact Pastor Jason at jstewart@bridgewaychristian.org or Pastor Mark at mark@bridgewaychristian.org

For the most current and accurate event information, please visit "What's Happening at Bridgeway" portion of the events page of the Bridgeway Christian Church website at <http://www.bridgewaychristian.org/events/>

If you aren't signed up on The City (our online community) yet, you can signup in the Lobby, before and after weekend services.
